## **2. General Provisions**

- 2.1. By submitting a competition entry, you are agreeing to be bound by these terms and conditions.
- 2.2. The Contest will take place on between Wednesday, July 20, 2016 at 9.00 GMT and Mardi, July 26 at 2300 GMT.
- 2.3. The entrant(s) must be aged 18 or over.
- 2.4. Use of a false name or address will result in disqualification. GKFX reserves the right to verify any information contained in your entry and/or your eligibility to enter the competition. Proof of identity and age will be required.
- 2.5. With the GKFX demo account, the participants are not trading with real money. Any money they make or lose is fictitious and cannot be transferred to a real account, cashed in or redeemed in any way. The demo account is purely for practice and for demonstration purposes only, and contains a small selection of the markets that GKFX offers.
- 2.6. While Demo accounts tend to replicate live accounts, they may not always be totally the same as varying factors in the live environment can affect matters
- 2.7. At all times, trading functions or complaints that arise during the contest which are associated with operations on a trading account are reviewed in accordance with GKFX's "Terms of Business" and other related documents.

## **3. Competition Objectives**

- 3.1. There will be two separate competitions with two separate objectives:
  - 3.1.1. The highest rate of return percentage in the competition period from a demo account virtually credited with € 50,000 at the beginning of the competition. The closing balance (including open and closed trades) at the time of the competition's expiry date/time will be used to determine the winner.
  - 3.1.2. The highest number of viewers during the contest period based on the number of "followers" registered on the platform TRDR.tv

- 3.2. The competitions will run concurrently, meaning the same participant could potentially win both competitions.
- 3.3. In the case of a tie in the competition referred to 3.1.1, the winner will be the participant who has the lowest drawdown (largest one day loss)
- 3.4. In the case of a tie in the competition referred to 3.1.2, the winner will be the participant who has the highest return/lowest drawdown.
